Bash Emir Individual Enterprise is a trading and logistics company operating in the following markets:

Iran, Turkmenistan, China, Russia, Kazakhstan, Azerbaijan, and Turkey.

We build direct partnerships with factories, ensuring fair terms, transparent transactions, and guaranteed volumes.

OUR PURCHASING POSITIONS

We are interested in regular purchases of the following products:

- Petroleum coke
 - Automotive gasoline
 - Diesel fuel
 - Base oils of all categories
 - Bitumen
 - Barite
 - Fuel oil
 - Petrochemical materials upon request
-

REQUIRED VOLUMES

Depending on the product:

from 3,000 to 20,000 tons per month, with the possibility of increasing volumes within the contract.

PRODUCT REQUIREMENTS

- Current quality certificate / COA
- Certificates of origin (if necessary)
- Stability of indicators
- Inspection capability (SGS, Intertek, etc.)

PREFERENTIAL TERMS OF DELIVERY

We are ready to work on the following terms:

- **FOB** — port of shipment
 - **CIF** — any international port
 - **DAP** — by agreement
 - **EXW** — if loading is available at the manufacturer's warehouse
-

WHY WORK WITH BASH EMIR

- Guaranteed purchases in stable batches
 - Long-term contracts
 - Transparency and honesty at every stage
 - Quick decisions and prompt communication
 - International logistics and full transaction support
-

READY FOR AN URGENT START

We are open to discussing terms and conditions, providing price lists, quality certificates, and production plans.
